If at the date of dispatch of the goods from the Company's premises there has been any increase in all or any of such costs, the price payable for the goods may at the request of the Company be increased accordingly.
- (2) Where the price for the goods is varied in accordance with this condition the price as varied shall be binding on both parties and shall not give either party any option of cancellation.
- (3) There shall be added to the price for the goods any value added tax and any other tax or duty relating to the manufacture, transportation, export, import, sale and delivery of the goods (whether initially charged or payable by the Company or the Customer).
